Plenary session: 2023 and beyond – global mobility trends, the race for talent, humanitarian immigration issues and the world refugee crisis

The Covid-19 pandemic, war in Ukraine, global economic downturn and shift in geopolitics have created an immigration landscape which is unrecognisable compared to that of the last in-person IBA Global Immigration Conference in 2019. Against the events of the last three years, our esteemed panel will discuss current and future global mobility trends, the race for talent (including the creation of immigration policies which support growth), humanitarian immigration issues and the global refugee crisis. The panel features policymakers, global mobility leaders, international humanitarian organisations, economists and political commentators.

The world in crisis: how lawyers and NGOs responded to the Afghan airlift and Ukraine invasion.

This session will look at the way in which lawyers, NGOs civil society and lawmakers dealt with two major crises-the Taliban takeover and Afghan airlift in September 2021 and the invasion of Ukraine in February 2022. To what extent did the later crises put the earlier one in shadow? How have lawyers navigated the complexities of assisting refugees to leave where there are no safe and legal routes, and how does the treatment of Afghan refugees differ from the temporary protection instruments available to Ukrainians at EU and national level?

The IBA, its officers and staff accept no responsibility for any views expressed, presentations or materials produced by delegates or speakers at the Conference.

The organisers may at any time, with or without giving notice, in their absolute discretion and without giving any reason, cancel or postpone the Conference, change its venue or any of the other published particulars, or withdraw any invitation to attend. In any case, neither the organisers nor any of their officers, employees, agents, members or representatives shall be liable for any loss, liability, damage or expense suffered or incurred by any person, nor will they return any money paid to them in connection with the Conference unless they are satisfied not only that the money in question remains under their control but also that the person who paid it has been unfairly prejudiced (as to which, decision shall be in their sole and unfettered discretion and, when announced, final and conclusive).

Continuing Professional Development/Continuing Legal Education

For Conference delegates from jurisdictions where CPD/CLE is mandatory, the IBA will provide a Certificate of Attendance for the Conference. Subject to CPD/CLE requirements, Conference delegates can use this to obtain the relevant number of hours' accreditation. The number of CPD/CLE hours available may vary depending on the rules applied by the members' bar association/law society on time recording criteria.

A Certificate of Attendance is available to Conference delegates on request. Please ask at the IBA Conference registration desk for information on how to obtain the certificate.

IBA Harassment Policy

- If the IBA is unable to reschedule the conference within 12 months of the original scheduled date, a full refund of the cost of the conference place will automatically be made to all delegates.
- Please note that the IBA will not provide refunds for any costs incurred including any travel costs.

Please note, these terms are subject to any more restrictive or different local requirements, and may be altered and amended from time to time to reflect any changes to restrictions or government requirements.

Promotional literature

Please note that no individual or organisation may display or distribute publicity material or other printed matter during the Conference, unless by prior arrangement with the IBA. Organisations and companies wishing to discuss promotional opportunities should contact the IBA Sponsorship Department at sponsorship@int-bar.org.

If any deductions or withholdings are required by law to be made from any fees payable to us by you under the terms contained in this 'Information' section you shall pay such sum as will, after the deduction or withholding has been made, leave us with the same amount as we would have been entitled to receive in the absence of any such requirement to make a deduction or withholding.

If we obtain the benefit of any tax credit or other relief by reference to any such deductions or withholdings, then we shall repay to you such amount as, after such repayment has been made, will leave us in no worse position than we would have been had no such deductions or withholdings been required.

Conference sell-outs

The IBA places its conferences in venues of a suitable size for each event; however, there are times when our conferences may sell out. Should this happen, prospective delegates will be informed and a waiting list will operate. The waiting list will function on a 'first come, first served' basis, subject to receiving registered delegate cancellations. The waiting list for a conference will close once it has reached ten per cent of the conference venue capacity, as it is very unlikely a place will become available. The IBA will not be liable for any travel or accommodation expenses incurred by an individual who travels to a conference without a confirmed place at the event.

Cancellation of registration or social functions

If cancellation is received in writing at the IBA office by **18 November 2022**, fees will be refunded less a 25 per cent administration charge. Refunds will be made minus any monies owed to the IBA.

We regret that no refunds can be made after this date. Registrations or social function bookings received after **18 November 2022** will not be eligible for any refund of fees. Please note that the IBA will however offer a full refund if you are required to cancel your registration due to Covid related reasons; we will require written confirmation of your cancellation by the end of business on the first day of the conference.

Should you have difficulties in obtaining your visa and are not able to attend the Conference this cancellation policy will still apply.

Upon submission of your completed Conference registration form to the IBA you are considered 'registered' pending payment. Please note that the cancellation terms and conditions as indicated will apply as soon as your registration is received.

Provided you have cancelled your registration to attend an IBA Conference in accordance with the terms of the 'cancellation of registration' clause included in the 'Information' section of the relevant Conference programme, you must then confirm to us in writing at the IBA office as soon as possible, but in no event later than one year (12 calendar months) from the date of any such Conference, all necessary details to enable any reimbursement owed to you to be paid. We regret that no refunds will be made after the date that is one year (12 calendar months) after the date of the relevant Conference.

It is recommended that you check your visa requirements with your local embassy or consulate. **We are unable to dispatch visa invitation letters to support your visa application prior to receipt of your registration form and full payment of registration fees.**

Proud Headline Sponsor of the 10th
Biennial IBA Global Immigration Conference

International Bar Association

the global voice of the legal profession

The International Bar Association (IBA), established in 1947, is the world's leading organisation of international legal practitioners, bar associations, law firms and law societies.

The IBA influences the development of international law reform and shapes the future of the legal profession throughout the world. It has a membership of more than 80,000 individual lawyers and more than 190 bar associations and law societies spanning over 170 countries.

Inspired by the vision of the United Nations, the IBA was founded in the same spirit, just before the Universal Declaration of Human Rights was proclaimed in 1948.

The IBA covers all practice areas and professional interests, providing members with access to leading experts and up-to date information, enabling them to better represent their clients' interests.

Through its various committees, fora and task forces, the IBA facilitates the exchange of information and views among its members as to laws, practices and professional responsibilities relating to the practice of law around the globe.

IBA Immigration and Nationality Law Committee

The Immigration and Nationality Law Committee is concerned with all aspects of immigration and nationality law on a worldwide basis, including business-related immigration, family reunion policies, refugees and compassionate cases.

The committee aims to provide a forum for the discussion of comparative data on immigration and nationality policies of countries worldwide.
